

PLANT MECHANICS FIELD SERVICE & WORKSHOP POSITIONS AVAILABLE GUILDFORD BRANCH

CJD Equipment is seeking the services of experienced Plant Mechanics for our rapidly expanding Western Australian service department. Our very competitive remuneration package includes high pay rates with a guaranteed 45 hours per week plus super with all leave entitlements at the guaranteed hours. Experience with Volvo Construction Equipment is desirable but not essential.

The successful applicants should be able to demonstrate the following:

- Appropriate trade qualifications.
- Willingness to work in a team environment.
- A high level of self motivation and ability to work without direct supervision.
- Advanced problem and fault finding skills, especially in hydraulic and auto electrical systems.
- High level of communication skills.
- High level of interpersonal skills.
- Basic computer skills
- Ability to work outside normal working hours.

CJD Equipment is the national distributor for Volvo Construction Equipment and provides ongoing training and excellent working conditions with regular social events for employees and their families. Applicants must have a strong customer satisfaction focus and a desire to provide premium levels of service and support. Join our professional service team and be at the front of the technical revolution.
